

Marcelo Gallardo

June 30, 2024

Department of Mathematics
[Pontificia Universidad Católica del Perú](#)
Lima, Pe.
marcelo.gallardo@pucp.edu.pe

Education

B.s. and Lic. in Mathematics 2020-2025 (E). [Pontificia Universidad Católica del Perú](#).

Cycle Propédeutique, Physique 2019-2020. [École Polytechnique Fédérale de Lausanne](#).

Summer and winter school

[QLab](#), Jan-Feb. 2022, 2023, 2024.

[QLab](#), Aug. 2024.

Academic Statement

Relevant coursework at PUCP [here](#).

Experience

Research Assistant (2021-)

[UNSW](#) Sydney, Au. Working with PhD [Juan Carlos Carbajal](#). 2024-.

[GRADE](#), Lima, Pe. Working with PhD [Juan León Jara-Almonte](#). 2022-.

[PUCP](#), Lima, Pe. Working with PhD [Jorge Richard Chávez Fuentes](#). 2021-.

Teaching Assistant (2022-)

[Mathematics for Economics and Finance 3](#). With PhD Jorge Richard Chávez Fuentes.

[Mathematics for Economists](#). With PhD Jorge Richard Chávez Fuentes.

[Optimization I](#). With PhD Jorge Richard Chávez Fuentes.

[Functional Analysis](#). With PhD [Percy Fernández](#).

[Microeconomics 2](#). With PhD [Pavel Coronado Castellanos](#).

[Financial Microeconomics](#). With PhD (a.b.d.) [José Gallardo Kú](#).

Working papers and publications

[Harnessing Twitter and GPT for a Novel Political Uncertainty Index for Peru: Implications for USD/PEN Exchange Rate Fluctuations](#). With Manuel Loaiza and PhD [Gabriel H. Rodriguez](#). Working paper.

[Innovation and overeducation in Peruvian universities](#). With PhD Juan León Jara-Almonte. Working paper.

Books

[Linear Algebra and Optimization for Economists](#). With PhD Jorge Richard Chávez Fuentes. Pre-published book.

[Optimal Control Theory and Dynamics for Economic Analysis in Continuous Time](#). With PhD Jorge Richard Chávez Fuentes. Working book.

[Fundamentals of Econometric Theory](#). With PhD Juan León Jara-Almonte. Lecture notes.

Awards

Mention d'excellence au BAC (19.91/20). [Colegio Franco Peruano](#), Lima PE, 2018.

Admission to l'X Bachelor Program. Paris, Fr, 2019.

[Winner of the contest Initiation to Scientific Research](#). PUCP, Lima, Pe, 2020.

[Winner of the contest Initiation to Scientific Research](#). PUCP, Lima, Pe, 2021.

Ranked first in my class in the Mathematics major. PUCP, Lima, Pe.

Skills

Programming: Python, L^AT_EX, STATA.

Languages: Spanish (Native), French (Advanced), English (Proficient), Portuguese (Basic).

Research interests

Convex optimization. Matching theory. Microeconomic Theory. Optimal Control Theory. Optimal Transport Applied to Economics.
